

## Newtown Quilters' Guild Button Challenge

Create something using at least **10 buttons** and some **fabric**.  
You can make a quilt, pillow, or bag, embellish clothing, or create something else.  
There are no size restrictions.  
Select buttons from our stash or use your own.

**Members' Choice Awards** will be given to one entry in each of these six categories:

- (1) most buttons
- (2) most colorful
- (3) most creative embellishments
- (4) best holiday theme
- (5) best classic design
- (6) best modern design

We'll share our entries at the **April 2024** meeting.  
Everyone attending this in-person meeting will be given the opportunity to vote in each of 6 categories (sorry, no absentee votes).
