

# WALKER BAGS

For the outside of the bag - (2) 17x13 " pieces of fabric

For the lining - (2) 17x 14 1/2" pieces of fabric

For ties - (2) 20" pieces of grosgrain ribbon

- 1 - Sew Outside fabric & lining fabric along the 17" side (do this for each pair) (RST)
- 2 - With right sides together (RST) match linings and outside pieces.
- 3 - Sew around the outside, leaving an opening for turning in the lining. Now you have a big square.
- 4 - Turn right side out through the opening. Push out corners. Sew up the opening.
- 5 - Now push the lining into the bag, matching corners. There will be a border of the lining fabric along the top.
- 6 - Press and then top stitch along the top border.
- 7 - Fold 20" ribbon in half and fasten to inside of bag at the seams for the ties.
