

Welcome to Newtown Quilters Guild! We are happy to have you as a member of this great community of quilters. One of the most important benefits of membership is the opportunity to share your love of quilting and to make new friends. Many of our members became lifelong friends through the guild. We have a long history, rich in tradition, with each member stitched into its colorful patchwork.

We are an active guild - our biennial quilt show is our signature event; many hands contribute to our annual raffle quilt; we participate in Newtown Market Day; our Quilt Challenge asks you to work outside of your comfort zone; and much more. Monthly guild meetings give you an opportunity to enjoy speakers, as they share their personal quilting journeys. Workshops teach new skills and provide a forum for socializing and meeting new friends.

Philanthropic work is a cornerstone of our guild. We reach out to the community with the comfort and warmth of a quilt. When there is a need, our members respond with generosity and kindness.

Key to the success of our guild is member participation, including yours. Wherever you choose to begin, take the opportunity to invest yourself in the guild. You will find it to be a rewarding experience.

We want you to enjoy your membership and to feel that you are truly part of the guild, so let's get started with the information included with this letter. We open with a brief history of the guild and continue with information about the many facets of our organization. Think of it as answers to FAQs. If you have any questions, please let me know.

We very much look forward to your membership and the contributions that you will make to keep our guild going strong.
