

## Block-of-the month: Jeweled Medallion Color Wheel

March 2026

From Joan Shipp:

This month for the Jeweled Medallion-Color Wheel Block-of-the-Month we will **go to page 10 of the instructions**. You'll follow instructions as-written to add two borders.

I used my chosen color (red) for the first border, the one between the Center star and the Flying Geese.

For the second border, I used one of the colors I used for my flying geese, in this case turquoise, or you can choose any color to your liking. You can make all of these borders the same color or change them up. Remember any questions text me (versus email) and I will help you.

My phone number is 215-539-7426.

Remember, you can always go to our website

([www.newtownquiltersguild.org](http://www.newtownquiltersguild.org)) for previous steps. Since this pattern is available to the public for free, it is no longer in the Members-only section.

The link is here: [Block of the Month 2026 - Newtown Quilters' Guild](#).
